# POST 16 OPTION FORM

The A Level program at The Oxford School offers a range of subjects that provide a combination of choices to support study in further education and career pathways. Students must choose 3 subjects in total with 1 subject coming from each option block. In addition, students will receive a core enrichment module each term and will be able to choose from a variety of activities to support their university application. We recommend researching requirements for university admission before completing your choice of subjects.

Option 1	Option 2	Option 3	Core Enrichment Term 1	Term 2
Physics* (CAIE)	Chemistry* (CAIE)	Biology* (CAIE)	PE	Past Paper practice
Business Studies (CAIE)	Accounting** (CAIE)	Economics** (CAIE)	Art	
English Language* (CAIE)	Psychology (CAIE)	Mathematics* (Edexcel)	Leadership	
Geography (Edexcel)	Information Technology (CAIE)	Sociology (CAIE)	Community Service	
Art & Design (CAIE)	Computer Science (CAIE)	French (Edexcel)	Internship	

- Minimum B grade in this subject at IGCSE required for acceptance onto the course.
- Minimum C grade in this subject at IGCSE required for acceptance onto the course.

Option 1	Option 2	Option 3	Core Enrichment

**Note:**

- Subject choices once chosen cannot be changed at a later stage.
- Subjects option may not be available if student registrations for that subject are less than 10.
- A minimum of B grade in year 11 is required to choose the subject.
- To choose a new subject, students need to appear for an entrance exam and be successful with a grade of or higher.
