We proudly announce the completion of 50-hour Career Internship programme by our students of year 13. The Internship started on 16<sup>th</sup> December 2024 and ended on 21<sup>st</sup> December 2024.

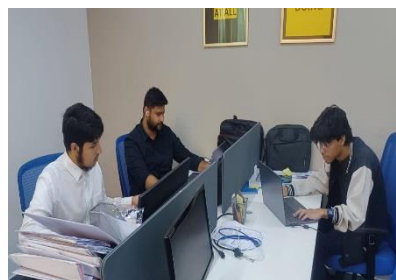

We at The Oxford School always strive to enhance the readiness of our students' skills and potential, as they eagerly wait to pursue the universities of their choice and their dream career. This was a unique opportunity for oxfordians to experience the professional world and enhance their career pathways by developing their employability skills. This internship programme was aimed at developing the students' soft and hard skills while making them responsible and flexible in various life situations and nurturing them into successful global citizens. Our student travelled personally to the work area and back. They portrayed a thorough professional outlook during the entire tenure of this internship. Whether the student is from Commerce, Science or Humanities field, any kind of internship adds value in building up his/her profile.

The organisations that helped our students with the internship were

1. Quick Group LLC - Sharjah
2. CBE Gulf- Dubai
3. Aardy's Properties LLC- Dubai

We extend our heartfelt thanks and appreciation for the support and cooperation offered to our students by these reputed Organisations. Some glimpses of Oxfordians at work.
