Dear Parents and Students

Our aim at The Oxford School is to provide each of our learners with a broad and balanced curriculum tailored to their individual needs, offering a variety of possibilities and opportunities for education beyond the age of 16.

The Key Stage 4 courses and how they are taught at Oxford are designed to equip your child for their future. We have provided a variety of choices to give a broad and balanced range of subjects, resulting in internationally recognised qualifications.

You must choose 4 optional subjects from those available, in addition to the compulsory subjects of English, Maths, and at least one Science. The programme has been designed to ensure that students experience a broad and balanced curriculum, meeting the requirements of the Cambridge, Edexcel, Oxford AQA, and BTEC frameworks, alongside the Ministry of Education (MOE) curriculum. All students will be provided with the opportunity to achieve high IGCSE grades, giving them the perfect chance to succeed at A Level and in their chosen careers.

This booklet will give you further information about the subjects on offer and the key information for you to consider. It is also important that you conduct your research and ask questions to support your decisions, especially related to further study both inside and outside of the UAE. Finally, and most importantly, select the subjects you enjoy and those that you are good at. This will give you the best possible start to your IGCSE courses and your future education.

COMPULSORY SUBJECTS

As a school operating in the UAE while offering a UK Curriculum, we take into account both UK requirements and the mandates of the KHDA and the Ministry of Education. Each student must follow a series of compulsory subjects, as outlined below. Ministry of Education (MoE) Curriculum: Following the Ministry of Education regulations, the following subjects are compulsory:

- U.A.E. Arabic Ministry Syllabus (up to Year 13, it is compulsory for Arab students; for others, it is until Year 10)
- U.A.E. Islamic Studies Ministry Syllabus (compulsory for Muslim students up to Year 13)
- U.A.E. Moral, Social & Cultural Studies (compulsory up to Year 13)

OPTIONAL SUBJECTS

In addition to the compulsory subjects that students must follow, we have an array of optional subjects. This is partly to ensure we can offer a wide range of courses, and to make sure students meet the minimum requirements for the International General Certificate of Secondary Education.

BROAD AND BALANCED CURRICULUM

In Years 10-11 (Key Stage 4), a wide range of courses are offered to prepare students for higher and further education and training. We expect all students to select a balanced range of subjects and encourage students to continue through to post-16. This approach ensures they develop both depth in key disciplines and the flexibility to pursue individual interests, preparing them for further education and future careers.

*** If you wish to discuss further, please speak to the Career Counsellor, Head of Secondary or Head of Subjects.**

IGCSE OPTION FORM

Compulsory Subjects	Optional Subjects				
Mathematics (CAIE)	English Literature (CAIE)	Economics (CAIE)	Business Studies (CAIE)	Arabic Foreign Language	Biology (CAIE/ Oxford AQA)
English - First Language English/ English as a Second Language (CAIE)	Chemistry (CAIE)	Accounting (CAIE)	Information and Communication Technology (CAIE)	Travel & Tourism (CAIE)	Combined Science (CAIE Oxford AQA)
Non-IGCSE Subjects MOE - Arabic - Islamic - ME UAE SST/MS	Physics (CAIE)	French (CAIE)	Sociology (CAIE)	Enterprise (CAIE)	Computer Science (CAIE/ Oxford AQA)
	Geography (CAIE)	Art & Design (CAIE)	Psychology (Edexcel)	Environmental Management (CAIE)	BTEC Business
				Urdu (CAIE)	BTEC Sport

Compulsory Subjects	Optional Subjects			
	1	2	3	4
	Choose four subjects from the above optional subjects. Please ensure you read the notes next page.			
Mathematics (CAIE)				
English - ESL or FLE (CAIE)				
Non-IGCSE Subjects MOE - Arabic - Islamic - ME UAE SST/MS				

Student Full Name.....

Parent / Guardian Name.....

Note:

- Subject choices once chosen cannot be changed or dropped.
- Subject options may not be available if student registrations for that subject are less than 20.
- Please note that subjects will be offered only if the student secures a minimum of a C grade in Year 9.
- All subjects in **red font** are not in the list of approved subjects for MOE Equivalency - The British System
- The subjects **highlighted in Green** are proposed new subjects/pathways." Students who have chosen Biology and FLE are eligible to opt for Psychology.
- FLE/ESL selection will be done at the beginning of year 10 based on the end of Year 9 results, and if needed, an entry-level test for borderline students.
- Students who have not studied French/Urdu in lower classes cannot choose French/Urdu for the IGCSE program.
- Art & Design and English Literature have qualifying tests.
- Following Ministerial Decree No. (883) of 2019, for all students writing the IGCSE.
- Two compulsory subjects - Mathematics and English
- Four optional subjects - One among these four must be a science subject (Biology, Chemistry, Physics, Combined Science).

MAKING YOUR CHOICES

Before making your choices, you should consider the implications of your chosen subjects for your future career in education and beyond. For example, if you wish to go into the world of travel in some form or another, then a foreign language would be advised. Not taking a foreign language as an option now may hinder your career prospects later.

You should also consider where you intend to study at university. This is because the entry requirements differ from country to country and are changing all the time. Whilst the Career Counsellor at Oxford will be able to provide up-to-date information on university entry requirements Worldwide, It is up to each student to research the requirements for study outside of these options.

PATHWAYS

The first step towards your future career is to plan out the journey. The activity below is designed to help you map this out effectively so that you can make better-informed decisions. If you have a couple of different careers in mind, you will need to use multiple pathway maps. To complete your map, you will need to complete some research.

My desired career is

What qualifications are needed? (i.e. degree, vocational cert' etc.)

What are the pre-requisites in order to achieve the above/what would be good to do?

What will the Post 16 requirements/needs be?

What levels do I need to access these courses and what am I predicted to achieve?

Subject	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>
Level	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>	<div style="border: 1px solid black; width: 50px; height: 30px;"></div>

CAREER AND UNIVERSITY GUIDANCE

If you or your parents have any queries related to the subjects you are going to choose and would like to discuss what opportunities would be available to you regarding university options, please speak to our Career Counsellor.

SHAHADAT AL-THANAWIYA AL - AMMA

The Shahadat Al-Thanawiya Al-Amma or 'Secondary School Leaving Certificate' is a student's evidence that they have completed Secondary Schooling in the UAE. Originally developed for Arabic Curriculum Schools, it is now often referred to as the 'Equivalence Certificate' because students following an alternative curriculum (UK Curriculum on offer at The Oxford School) can now gain the certificate, having attended an international school.

WHY DOES A STUDENT NEED THE SHAHADAT ALTHANAWIYA AL- AMMA?

Any student who has studied in the UAE for his/her final Secondary School. (Year 10/Grade 9 onwards) are advised to make all appropriate efforts to achieve the Shahadat Al- Al-Thanawiya Al-Amma, unless they can answer 'No' to all the following statements:

- Do you intend to study in the UAE after the age of 18?
- Do you intend to study in another Arabic country (e.g. Jordan, Lebanon and Egypt) after the age of 18?
- Do you intend to work in the UAE at any point after the age of 18?

For some students, they intend to study at a university in a non-Arab country, such as the UK, Canada or the USA. For these students, points 1 & 2 (above) do not apply, and some students may have already decided that they intend to work overseas after finishing university.

However, a student who has studied beyond Year 10 in the UAE may still be asked to produce their Shahadat Al-Thanawiya Al-Amma many years later if they choose to apply for employment in the UAE or another Arab country.

Students who do not have the Shahadat Al-Thanawiya Al-Amma will be at a distinct disadvantage in future years when applying for employment in the UAE. Federal law dictates that all Federal employees (i.e. those working in the armed forces or Ministry Departments such as Labour, Interior or Education) must have the Shahadat Al-Thanawiya Al-Amma.

UNITED ARAB EMIRATES
MINISTRY OF EDUCATION

الإمارات العربية المتحدة
وزارة التربية والتعليم

Subject: Ministry of Education legislation which will affect schools offering the UK curriculum

There has been a recent change of legislation by the Ministry of Education (MOE), which will improve Arabic and Islamic Studies provision for British school curriculum students but will also have an impact for those pupils who wish to leave Secondary Education in Year 12 and require an MOE High School Equivalency Certificate.

The background is that, as you will probably know, the British system operates in a different grading system to the IB, MOE and American counterparts in terms of naming the various age stages of learning. So, for example, a six-to seven-year-old entering Year 2 in a British school would be at Grade 1 level in a non-British institution and a 16 to 17-year-old entering Year 12 would be at Grade 11 in an American, MOE or IB school.

To address the issue, the MOE has decided to align Years and Grades across all schools in the UAE, a step that some Emirates, such as Abu Dhabi and Sharjah, had taken earlier than others. From **2022-23**, all British curriculum **students will have to complete Year 13 before leaving Secondary Education because of MOE** Resolution No. (883) of 2019, which we shared with you previously and during the Options Evening.

The aforementioned changes will also affect students in the current academic year, as the MOE will no longer grant its High School Equivalency Certificate until all required components, including Arabic and Islamic Studies, are completed. This can only be achieved in Year 13.

Year 12 students from British schools (i.e. aged 16-17) can still leave school at this age, but they will not obtain the Equivalency Certificate. This may impact their ability to go into further education, particularly here in the UAE or other regional institutions such as in Egypt. This will depend on the requirements of the various universities. As well as the duration of national services.

We appreciate these new changes to the system are somewhat challenging and so our schools will also offer more explanations as necessary should you wish to discuss further the implications for your child.

Rest assured, the school will support you fully in securing the best possible outcome for your child.

HOW TO OBTAIN EQUIVALENCY

Students who intend to obtain the UAE Secondary Equivalency Certificate at The Oxford School require the following:

1. The student must pass 5 GCSE or IGCSE courses with grades: (A *, A, B, C, D) or (3 to 9). These 5 courses must include:
 - Mathematics
 - One of the science subjects (Physics, Chemistry, Biology) or Combined Science Subject.
 - One of the following three English subjects: either English Language, English Literature or English Second Language.
2. Achieve (again from the specified list of 21 subjects) either.
 - Pass 2 Advanced Subsidiary (AS) Levels in Year 12 at Grade D or better, or Pass 1 Advanced (A) Level in Year 13 at Grade D or better
3. Pass the UAE Ministry of Education Arabic Studies examination in Year 13. This can be taken as either Native Arabic Studies (for learners of Arab Nationality as shown on their passport) or as Non-Native Arabic Studies (for learners of non-Arab Nationality as shown on their passport).

In addition to the 3 sections above, there is a 4th section which is only applicable to Muslim students:

- Pass the UAE Ministry of Education Islamic Studies exam in Year 13. This can be taken as either Native Islamic Studies (for learners of Arab Nationality as shown on their passport) or as Non-Native Islamic Studies (for learners of non-Arab Nationality as shown on their passport)

Subjects studied should be chosen from the list defined by the relevant Ministry regulations.

For IGCSE listed subjects, refer to page 3 of this option booklet. All subjects except the one in red font are in the list of approved subjects for MOE equivalency - The British System.

ART & DESIGN

Course Title	Art & Design (0400)
Level	IGCSE
Awarding Body	Cambridge international
Grades	A*-G
Syllabus	https://www.cambridgeinternational.org/Images/664588-2025-syllabus.pdf
Content Overview	The broad areas of study are: Painting and related media Graphic communication Three-dimensional design Textiles and fashion Photography
Assessment Overview	All assessments are externally assessed end of the year, 11 May / June. All candidates take two components. Component 1 (Course Work) 100 marks (50%) Component 2 (Externally Set Assignment) 100 marks 8hrs (50%)
Six Form opportunities	Design Technology, History, Drama, Photography, Textiles and Media.
Career opportunities	Graphic designer, Architect, Interior designer, Fashion designer, Curator, Art director, Jewellery maker, Web designer, Illustrator, Animator, Set designer, Photographer

BIOLOGY

Course Title	Biology (0610)
Level	IGCSE
Awarding Body	Cambridge international
Grades	A*-G
Syllabus	https://www.cambridgeinternational.org/Images/697203-2026-2028-syllabus.pdf
Assessment Overview	<p>Paper 1: Multiple Choice (Core) 45 minutes, 40 marks, 30% 40 four-option multiple-choice questions</p> <p>Paper 2: Multiple Choice (Extended) 45 minutes, 40 marks, 30% 40 four-option multiple-choice questions</p> <p>Paper 3: Theory (Core) 1 hour 15 minutes 80 marks 50%</p> <p>Paper 4: Theory (Extended) 1 hour 15 minutes 80 marks 50%</p> <p>Paper 6: Alternative to Practical 1 hour 40 marks 20%</p>
Six Form opportunities	A-level Biology, Psychology
Career opportunities	Doctor, Dentist, Healthcare Professional, Nurse, Genetic Counsellor, Researcher, Biotechnologist, Microbiologist, Nanotechnologist, Pharmacologist, Zoologist, Biomedical Engineering, Patent Law Officer, and more

CHEMISTRY

Course Title	Chemistry (0625)
Level	IGCSE
Awarding Body	Cambridge international
Grades	A*-G

Career opportunities	<ul style="list-style-type: none"> Chartered management accountant Corporate investment banker Human resources officer Management consultant Operational researcher Risk manager Business analyst Financial analyst Academia (Lecturing and Teaching) Account manager Sales manager Marketing Manager Trading and many more

ENVIRONMENTAL MANAGEMENT

Course Title	Cambridge O Level Environmental Management (5014)
Level	IGCSE
Awarding Body	Cambridge International
Grades	A*-E
Syllabus	https://www.cambridgeinternational.org/Images/664483-2025-2026-syllabus.pdf
Content Overview	<p>The syllabus has been restructured to present content within six thematic topic areas</p> <ul style="list-style-type: none"> Rocks and Minerals and Their Exploitation Energy and the Environment Agriculture and the Environment Water and Its Management Oceans and Fisheries Managing Natural Hazards
Assessment Overview	<p>Paper 1: Theory Duration: 1 hour 45 minutes Weighting: 50% of total marks Content: Section A: Short and structured questions (20 marks) Section B: Short-answer and extended response questions based on source material (60 marks)</p> <p>Paper 2: Management in Context Duration: 1 hour 45 minutes Weighting: 50% of total marks Content: Short and extended response questions based on source material (80 marks)</p>
Six Form opportunities	Cambridge International AS Level Environmental Management
Career opportunities	<p>Studying Environmental Management opens pathways to various careers, including:</p> <ul style="list-style-type: none"> Environmental Consultancy Sustainability Officer Conservation and Wildlife Management Environmental Education and Communication Urban and Regional Planning Renewable Energy Sector Roles

ENGLISH LITERATURE

Course Title	English Literature
Level	IGCSE
Awarding Body	Cambridge international
Grades	A*-G
Syllabus	Click here to view
Content Overview	Cambridge IGCSE English literature enables learners to read, interpret and evaluate texts through the study of literature in English. Learners develop an understanding of literal meaning, relevant contexts and of the deeper themes or attitudes that may be expressed. Through their studies, they learn to recognise and appreciate the ways in which writers use English to achieve a range of effects, and will be able to present an informed, personal response to the material they have studied.
Assessment Overview	All candidates take two papers externally accessed Paper 1 (Prose and Poetry) 50 marks, 1 hr 30 minutes (50 %) Paper 2 (Drama) 50 marks, 1 hr 30 minutes (50 %)
Six Form opportunities	Post 16 students can English Language, English Literature, Sociology, Psychology
Career opportunities	Law, media, Teaching, Business, Publishing, Journalism

ENTERPRISE

Course Title	Enterprise 0454
Level	IGCSE
Awarding Body	Cambridge international
Grades	A*-G
Syllabus	Cambridge IGCSE 0454 Enterprise syllabus for examination in 2026
Content Overview	<p>Candidates study the following topics:</p> <ul style="list-style-type: none"> Introduction to enterprise Setting up a new enterprise Enterprise skills Enterprise opportunities, risk, legal obligations and ethical considerations Negotiation Finance Business planning Markets and customers Help and support for enterprise. Communication.
Assessment Overview	<p>Paper 1 assessments externally assessed, and Coursework will be internally assessed by end of year 11 May /June.</p> <p>All candidates take two papers.</p> <p>Paper 1 (Written paper) 100 marks 1 hour 30 mins (50 %)</p> <p>Paper 2 (Coursework) 60 marks (50 %)</p>
Six Form opportunities	A Level Business, Economics
Career opportunities	future entrepreneurs, E-commerce, Account manager, Sales manager, Marketing Manager, Trading and many more.

GEOGRAPHY

Course Title	Cambridge IGCSE Geography (0460)
Level	IGCSE
Awarding Body	Cambridge International
Grades	A*-G
Syllabus	https://www.cambridgeinternational.org/Images/664610-2025-2026-syllabus.pdf
Content Overview	<p>The syllabus is structured around three core themes:</p> <p>Population and Settlement Explores population dynamics, migration patterns, and settlement structures.</p> <p>The Natural Environment Covers topics such as weather, climate, rivers, coasts, and natural hazards.</p> <p>Economic Development Examines aspects of development, industry, agriculture, and tourism.</p>
Assessment Overview	<p>All candidates are required to take three components:</p> <p>Paper 1: Geographical Themes Duration: 1 hour 45 minutes Weighting: 45% of total marks Content: Structured questions based on the three core themes.</p> <p>Paper 2: Geographical Skills Duration: 1 hour 30 minutes Weighting: 27.5% of total marks Content: Assesses skills in map reading, data interpretation, and analysis.</p> <p>Paper 3: Coursework (Centre-based assessment) Weighting: 27.5% of total marks Content: A project based on fieldwork, assessing data collection and analysis skills.</p> <p>OR</p> <p>Paper 4: Alternative to Coursework Duration: 1 hour 30 minutes Weighting: 27.5% of total marks</p>
Six Form opportunities	Edexcel Geography
Career opportunities	<p>Studying Geography equips students with analytical, research, and critical thinking skills, opening pathways to various careers, including:</p> <ul style="list-style-type: none"> Urban and Regional Planning Environmental Consultancy Disaster and Emergency Management Geographical Information Systems (GIS) Specialist Cartography and Mapping Sustainability and Conservation Roles Teaching and Academic Research Travel and Tourism Industry International Development and NGOs

SOCIOLOGY

Course Title	Cambridge IGCSE Sociology 4095
Level	IGCSE
Awarding Body	Cambridge Assessment International Education (CAIE)
Grades	A* to G
Syllabus	https://www.cambridgeinternational.org/Images/662464-2025-2027-syllabus.pdf

Assessment Overview	<p>Oxford AQA International GCSE Combined Science is a linear qualification, with question papers to be taken in the same examination series.</p> <p>PAPER 1- Biology (Extended Code: 9204/BE Core Code:9204/BC) Written Examination: 1 Hour 45 Minutes 33% of the qualification 100 Marks Structured and open questions.</p> <p>Paper 2 – Chemistry: Any part of the Chemistry section of the specification may be assessed</p>

COMBINED SCIENCE

The Oxford School

	<p>1 hour 45 minutes 100 marks 33% of GCSE Structured and open questions.</p> <p>Paper 3 – Physics: Any part of the Physics section of the specification may be assessed 1 hour 45 minutes 100 marks 33% of GCSE</p>
Career Opportunities	<p>Biological Sciences, Chemistry, Physics, Environmental Science, Biomedical Sciences, Engineering, Health and Social Care, Nursing, Pharmacy Technician, Laboratory Technician, Science Teacher (with further study), Radiography, Forensic Science, Sports Science, Agriculture, Marine Biology, Veterinary Nursing, Nutrition, Public Health, Renewable Energy Technician, Science Communication.</p> <p>Chemical Technician, Lab Technician, Forensic Scientist, Environmental Scientist, Quality Control Analyst, Pharmacist, Chemical Engineer, Biomedical Scientist, Chemist Research.</p> <p>Studying Combined Science with a focus on Physics can lead to careers in engineering, renewable energy, space and aviation, technology, healthcare (like radiography), and teaching. It builds strong problem-solving and analytical skills useful in many fields.</p>

COMPUTER SCIENCE

Course Title	International GCSE Computer Science (9210)
Awarding Body	Oxford AQA International Qualifications
Grades or Numbers Grade	Graded on a 9–1 scale, with 9 being the highest.
Syllabus Click here to view	AQA Computer Science GCSE GCSE Computer Science
Content Overview	<p>Paper 1: Computational Thinking and Programming Skills Topic 1 – Fundamentals of Algorithms Topic 2 – Programming Concepts Topic 3 – Producing Robust Programs Topic 4 – Boolean Logic Topic 5 – Programming Techniques</p> <p>Paper 2: Computing Concepts Topic 1 – Data Representation Topic 2 – Computer Systems Topic 3 – Computer Networks Topic 4 – Cyber Security Topic 5 – Relational Databases and SQL Topic 6 – Ethical, Legal, and Environmental Impacts</p>
Assessment Overview	<p>Paper 1: Computational Thinking and Programming Skills Duration: 2 hours Marks: 90 Weighting: 50% of GCSE Content: Focuses on computational thinking, code tracing, problem-solving, and programming concepts. Question Types: Multiple choice, short answer, and longer answer questions.</p> <p>Paper 2: Computing Concepts Duration: 1 hour 45 minutes Marks: 90 Weighting: 50% of GCSE Content: Covers data representation, computer systems, networks, cyber security, databases, and the ethical/legal/environmental impacts of digital technology. Question Types: Multiple choice, short answer, longer answer, and extended response questions</p>
Career Opportunities	Software Developer/Programmer, Data Analyst/ Data Scientist, Cyber Security Specialist, Network Administrator / IT Technician, Game Developer, Hardware Engineer / Embedded Systems Developer

COURSE TITLE: BTEC BUSINESS LEVEL 2

COURSE DESCRIPTION

The Pearson BTEC International Level 2 Certificate qualifications in Business have been designed to address the needs of Level 2 learners (GCSE) in key areas, including interpersonal skills and customer service. They are specialist work-related qualifications, combining practical learning with subject and theory content.

- Specialist areas include:
- Finance, both personal and business, together with bookkeeping, which supports development of basic financial principles
- Working in business teams and team leading
- Business support or administration, which supports development of practical administration skills including office systems and equipment, meeting support and filing systems
- Personal selling, which helps learners to understand the personal selling process
- Aspects of business online and how this can support businesses to develop opportunities
- Aspects of retailing such as promoting, branding and visual merchandising
- Consumer rights
- Business ethics |

KEY INFORMATION

Minimum total Notional Learning hours (NLH)	150 (including 90 Guided Learning Hours (GLH))
Assessment	This qualification is internally assessed.
Unit grading information	Pass/Merit/Distinction
Overall qualification grading information	Pass/Merit/Distinction/Distinction*

HOW WILL THE COURSE BE ASSESSED?

Unit	Weighting	Assessment	Content
1. Business processes 2. Business Organisations 3. TBC*3	Each unit is worth 33.3% of the total grade	Continuous Assessments for all units	All Units

Unit 3 will be selected from a range of options during the course of the two years by the BTEC team.

FURTHER OPPORTUNITIES

This qualification is designed for learners who wish to explore a work-related vocational qualification or specific industry area.

International Level 2 BTEC offers learners the knowledge, understanding and skills that they need to prepare for employment.

On successful completion of a Pearson BTEC International Level 2 qualification, learners can progress to continued study in the same or related vocational area and/or within employment. Students will gain experience in real business that can lead to apprenticeships and internships within businesses.

COURSE TITLE: BTEC SPORT LEVEL 2

COURSE DESCRIPTION

BTEC International Level 2 Award in sport. First being taught in September 2022.

The Pearson BTEC International Level 2 qualifications in Sport have been designed to support initial progression to roles in sport, for example, sports coaching, fitness training and testing, sports nutrition, planning and leading sports events. In addition to the sector-specific content available in these qualifications, the requirements mean that learners develop the transferable skills needed to progress to further education or employment.

The qualification supports progression to further study at Level 3/pre-tertiary education as part of a programme of study that includes BTEC International Level 3 qualifications and/or International A levels.

HOW WILL THE COURSE BE ASSESSED?

There are 2 mandatory units, which includes 1 internal unit and 1 set assignment unit. Learners must complete and achieve a Pass or above in all mandatory units.

Optional Units: Learners must complete 1 optional unit.

Unit Number	Unit title	GLH	Type	How assessed
Mandatory units – learners complete and achieve all units				
1	Principles of Fitness and Fitness testing	30	Mandatory	Set assignment
5	Practical Sport	60	Mandatory	Internal
Optional units learners must complete 1 optional unit				
2	Training for personal fitness	30	Optional	Set assignment
7	Anatomy and Physiology for Sport	30	Optional	Internal
8	Sports related injuries and illness	30	Optional	Internal

FURTHER OPPORTUNITIES

- These qualifications support progression to further study in sport, for example, courses in:
- Sports Nutrition
- Planning and leading sports events
- Sports Nutrition
- Planning and leading sports events
