Aim

The Oxford School holds high expectations and standards for students under our care. The aim of our uniform is for students to present a neat, work-like appearance always, thereby preparing them for the world of work and employment. We believe that uniforms can help to develop the right mindset among learners, instilling pride, supporting positive behaviour and discipline. We always promote professional conduct and presentation from students. As responsible citizens, students should maintain decent attire and a positive appearance. Keeping this in mind, the school has a strict, well-defined, and comprehensive uniform policy.

Objective:

Through this policy, The Oxford School shares responsibilities with its students and parents that the student is in full proper school uniform every day they are in school. If a student fails to meet the uniform requirements of the school, the student will be requested to rectify this with immediate effect. If this is not possible, they will be required to remain at home until such time as they can meet the school's expectations. Students will be prevented from lessons if they are not in full school uniform.

Purpose:

All students are dressed to the same professional standard. The wearing of uniform removes opportunities for peer pressure and bullying.

Scope:

This policy will be in use along with the School's Behaviour Policy and will apply rewards and sanctions regarding uniforms to all students regardless of age and ability. Issues on the ongoing uniform issues will be reported by staff and, in coordination with the Head of Section, will be acted upon to resolve the concerns immediately. Further sanctions will be issued as required. The Head/Principal will be the final decision maker in this regard. Students not conforming to the correct school uniform and not willing to resolve any issues will be prevented from attending lessons and may be sent home to change.

Responsibility:

It is the responsibility of all members of the school community- students, parents, and staff- to ensure that students are always in full proper uniform while in and around school, as it is an essential requirement. We expect the cooperation of parents in maintaining a high standard of dress and presentation from our students.

School and Staff Commitment:

As a school and as members of the staff we will ensure that:

- Students will be regularly reminded about the school uniform rules and expectations during assemblies, registration time and in lessons.
- Efforts made by students who wear their uniform correctly will be recognised and praised using commendation cards/merit points.
- We act as positive role models for students.
- We are approachable, responsive, and alert to any problems at home that could cause difficulties with wearing the correct school Uniform. This will be communicated to the pastoral care team, who will find a way in which to resolve any issues.
- We will identify, correct and issue sanctions for incorrect wearing of the School Uniform in line with the school's **Behaviour Policy**.

Sanctions:

In cases of failure to wear the prescribed uniform, the following actions will be taken:

- The first warning will go from the class teacher to the defaulter. The teacher will email the parents regarding the issue, and the matter needs to be resolved by the parent.
- After the first warning from the class teacher, the matter will be escalated to the Section Head, and a written warning letter will be issued.
- The Head of Section will address any further offence that occurs by having a face-to-face meeting with the parents.
- If the violation continues, the principal will meet the student and parent, and a detention letter will be issued from the principal's desk. In that case, the parent must pick up the child after the detention period.
- If the offence continues, the child will get a three-day suspension, and the matter will be communicated to the KHDA if required.
- If the issue persists, the child will not be registered for the next academic year, and TC will be issued at the end of the academic year.
